

Ride Share Drop Off and Pick Up Location

Ride Sharing is a very popular way to get around Davis! Please direct your ride share driver to use the designated ride share drop off/pick up. This will help you avoid delays on the day of conference.

The Ride Share drop off/pick up location address is near Dairy Outdoor Recreation Complex, 232 ARC One Shields Avenue, Davis, CA 95616. You will find signage once you get there. Please do not approach the parking garage or parking lots as there are limited exits and ride share drivers will become stuck.
